

What is Life-story work?

We will make a book all about you!

Where do you come from?
 Where do you live?
 Who is your family?
 What things do you like or not like?
 Have you got pictures?
 Lets see!

Why me?

Dan

Dan did a life story book and this is how he said it helped him.....

“I know who I am.”

“I know who my family is.”

“I know where I came from.”

“This made me feel happy.”

How is it done?

- Speak to you about your likes and dislikes
- Ask your carers and family members
- * Get information from your social worker

IT IS...

A place to keep photos, remember family stories and special memories!
